

Well Design, CONSTRUCTION & Rehab WORKSHOP

Hosted by the Nevada Water Resources Association

Contact Hours Available / CEU approval for attendees

This one-day seminar will provide a technical overview of well construction methods and regulatory issues associated with these methods. It is designed to enhance the knowledge of new well development techniques, advanced technology, and revised regulatory issues associated with these topics. Operators, managers, supervisors and all others interested in well construction development are encouraged to attend.

Technical Advisors:

Mike Hardy, Lumos & Associates Inc.

Neil Mansuy, Vice President, Subsurface Technologies Inc.

Early Registration (Received by May 16, 2014)
