NWRA Annual Conference
Mt. Hope Mine 3M Plan

Pat Rogers
February 4, 2014

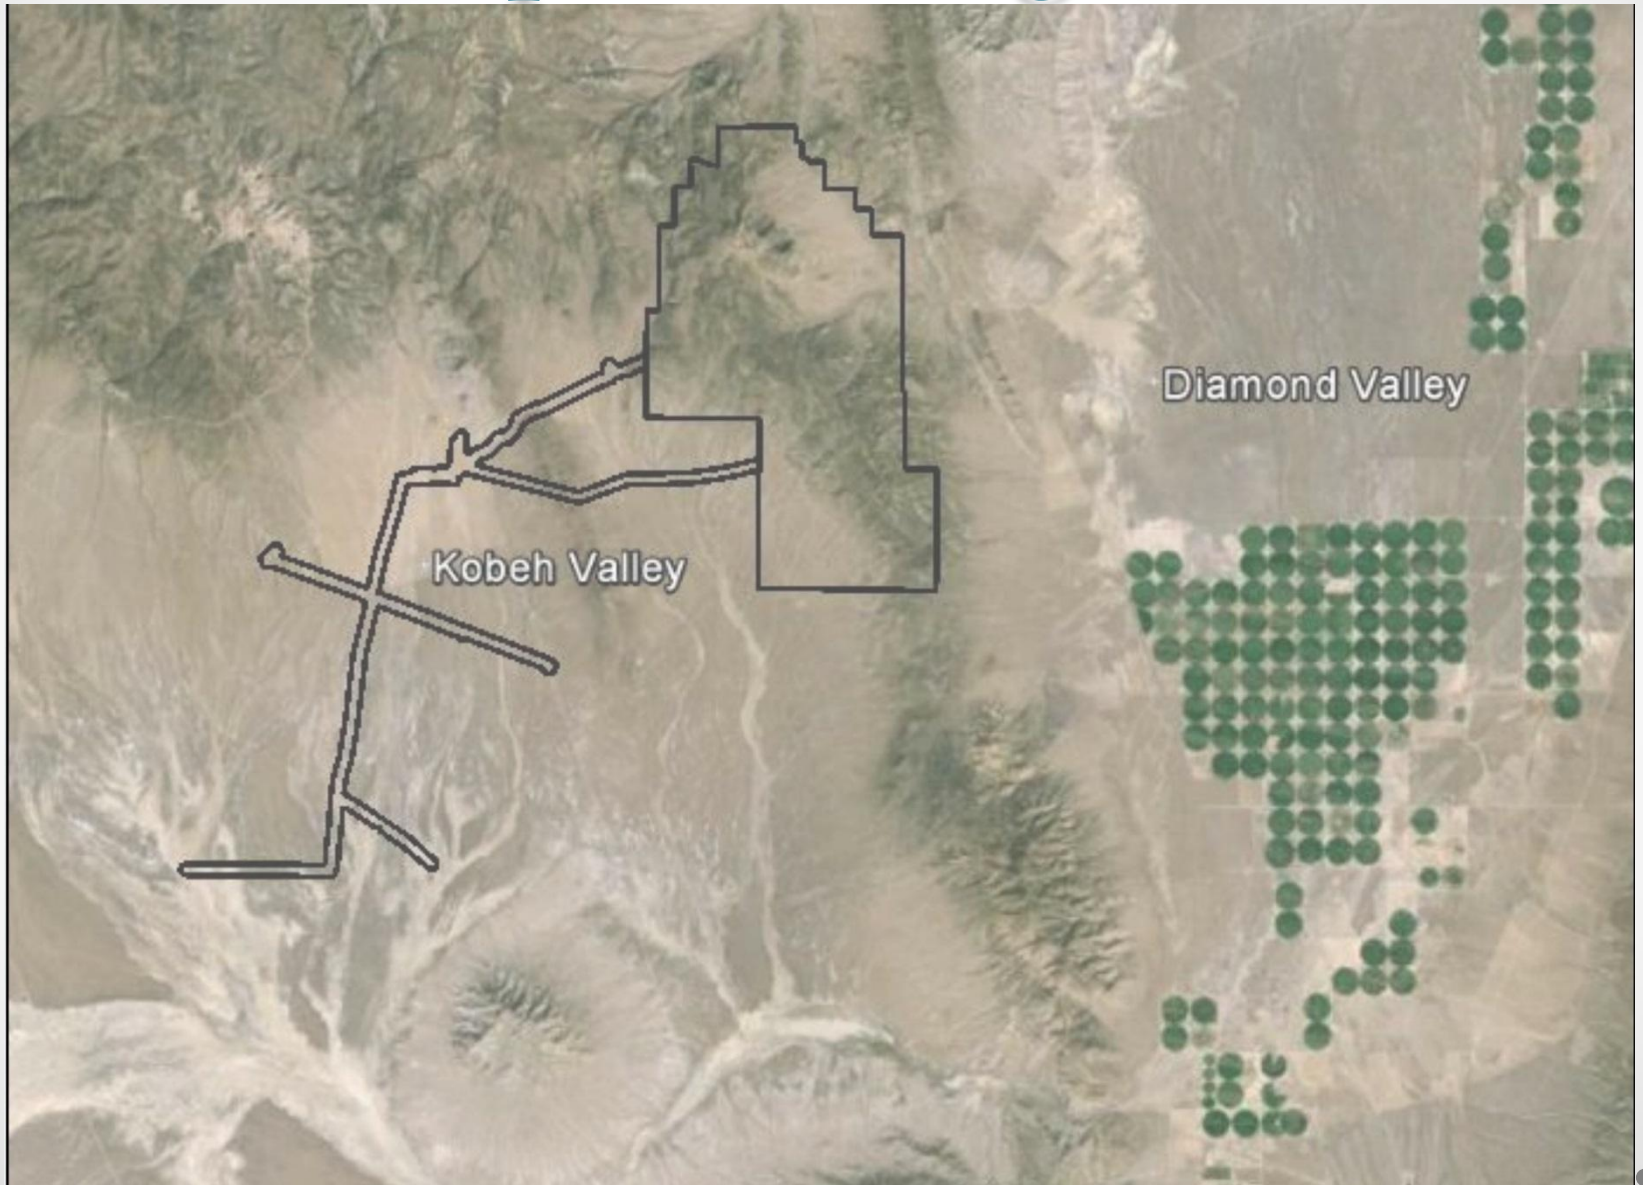

Mt Hope Mine 3M Plan

Mt Hope Setting - Geology

Mt Hope Setting - Basins

Mt Hope Setting – Roberts Mtns

Mt Hope Setting – 3M Questions

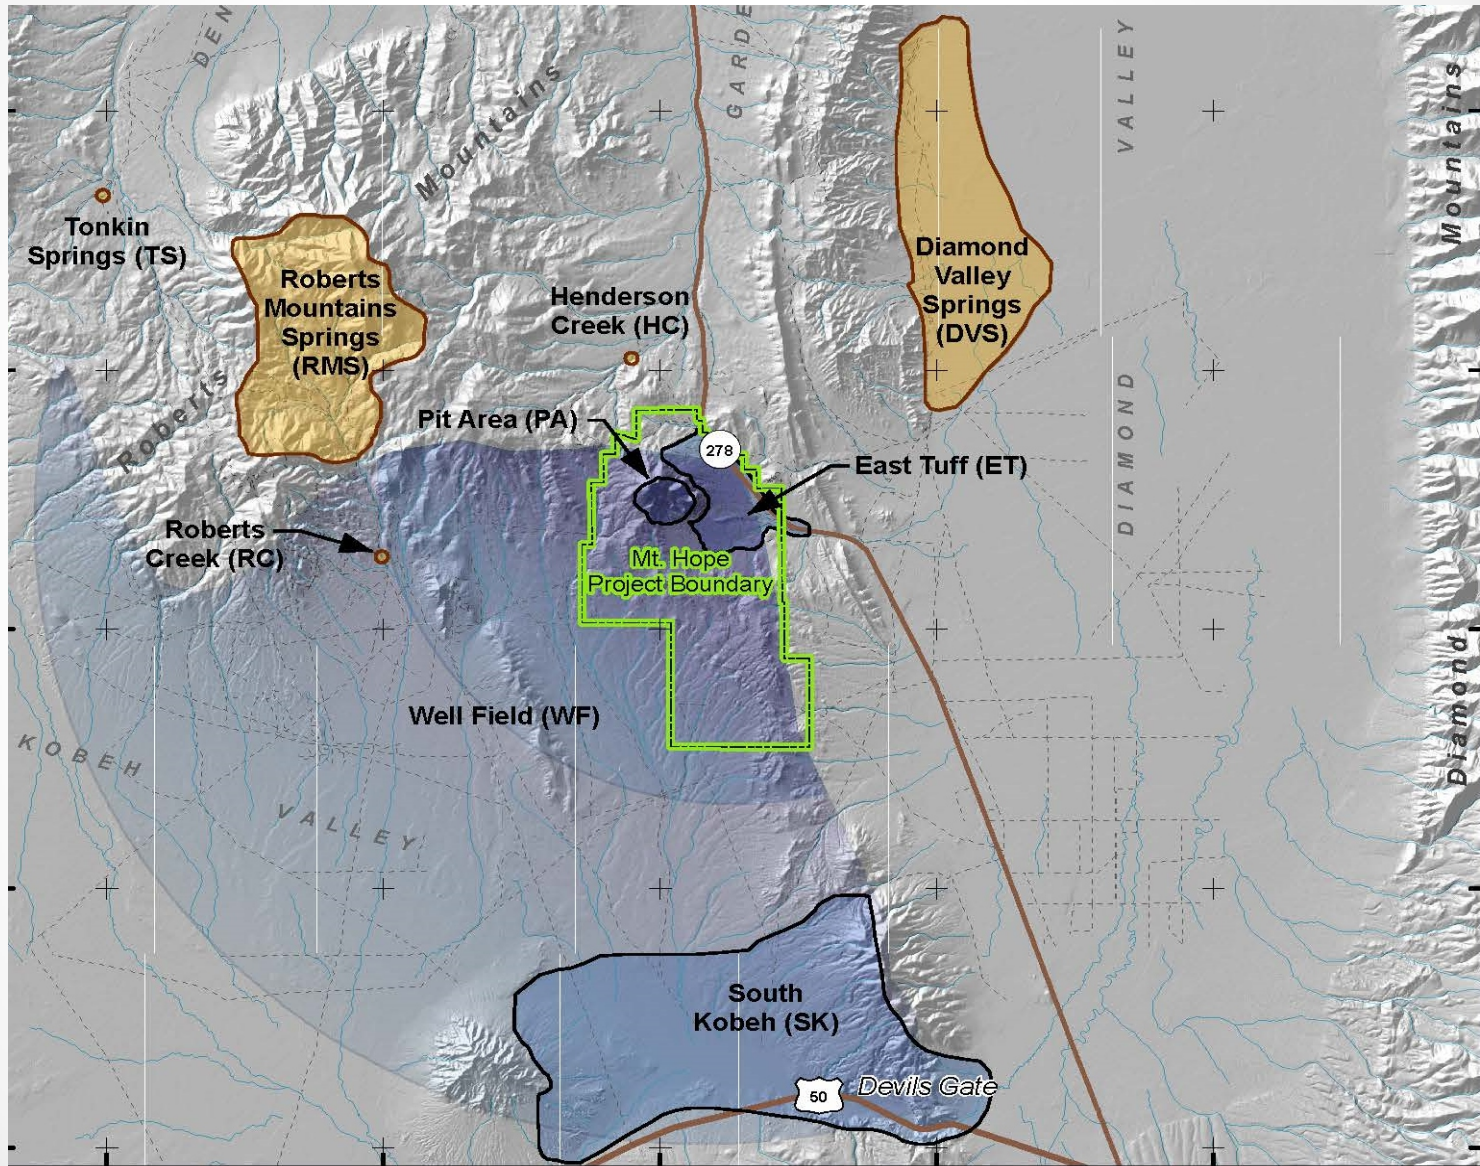

Areas of Uncertainty:

- How connected are Kobeh and Diamond Valleys?
- How connected are surface flows in Roberts Mountains and the groundwater aquifer that will be pumped?

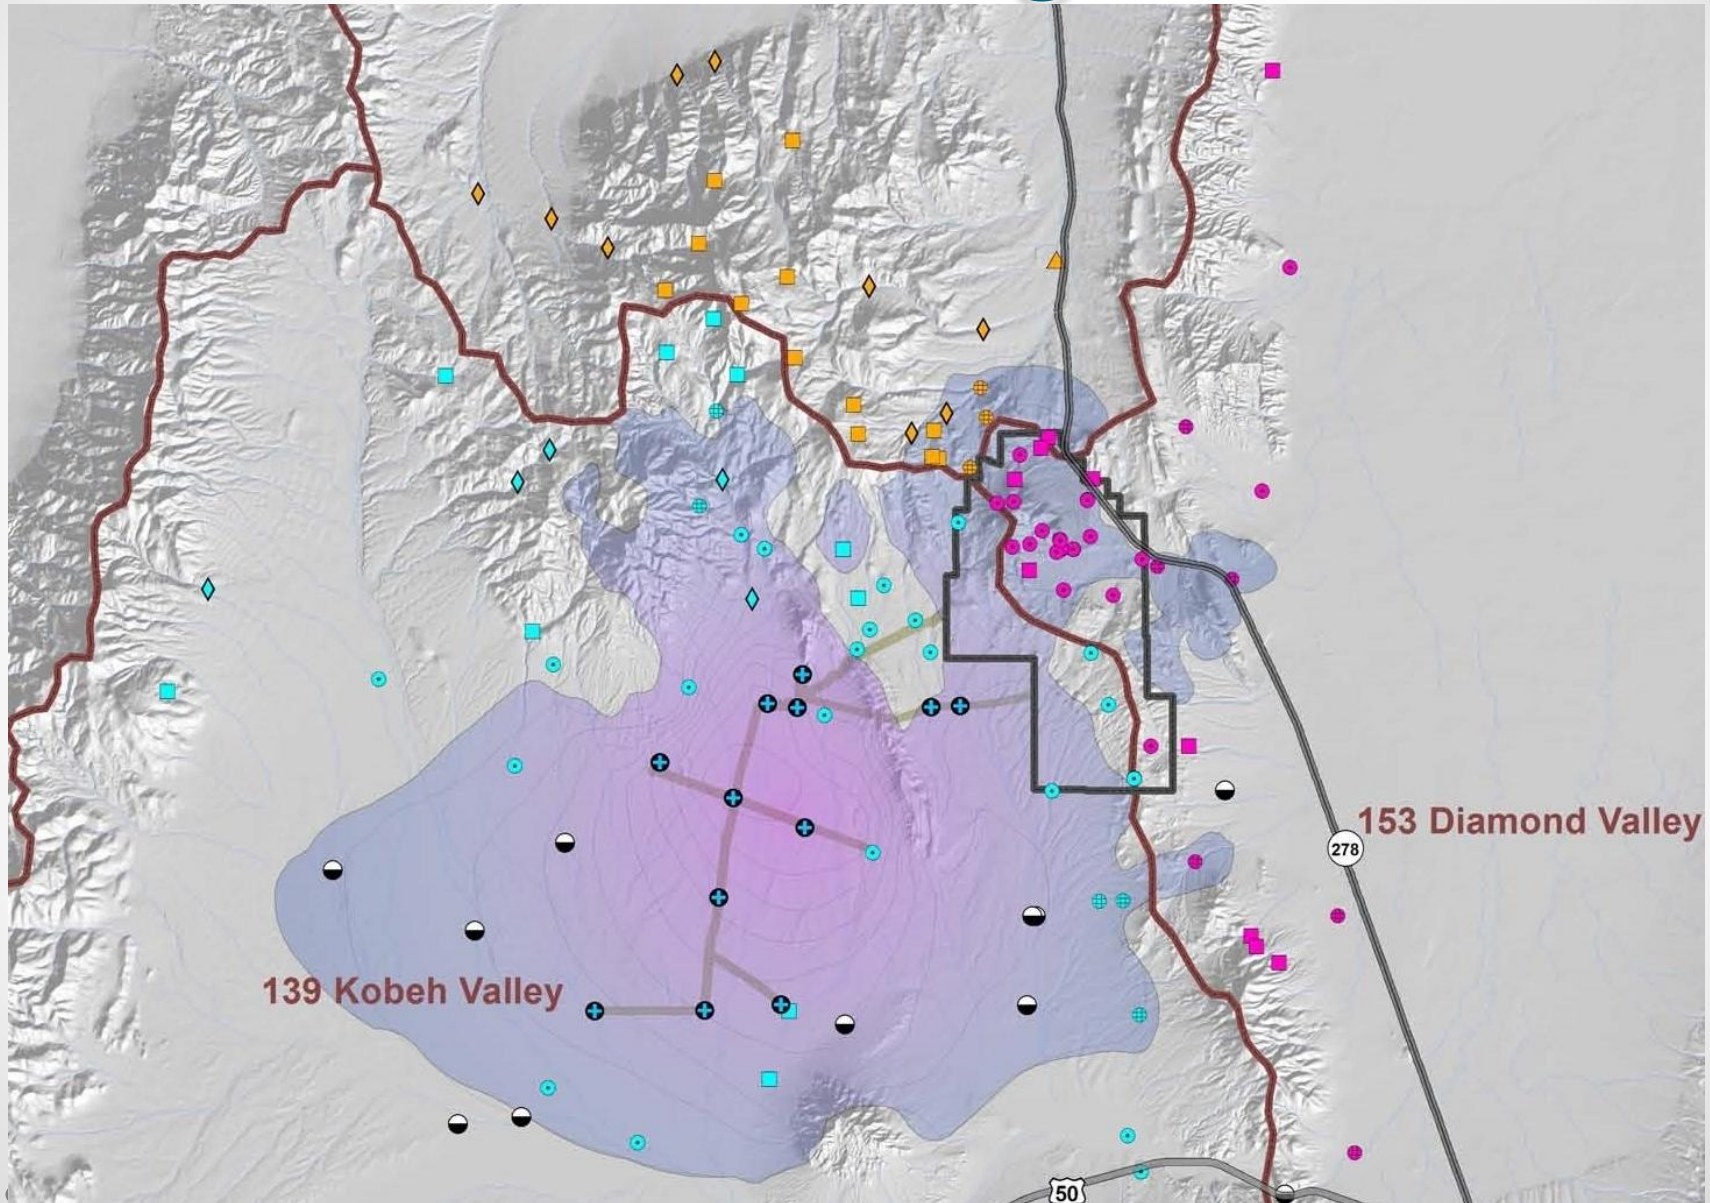

Mt Hope – Future Mine

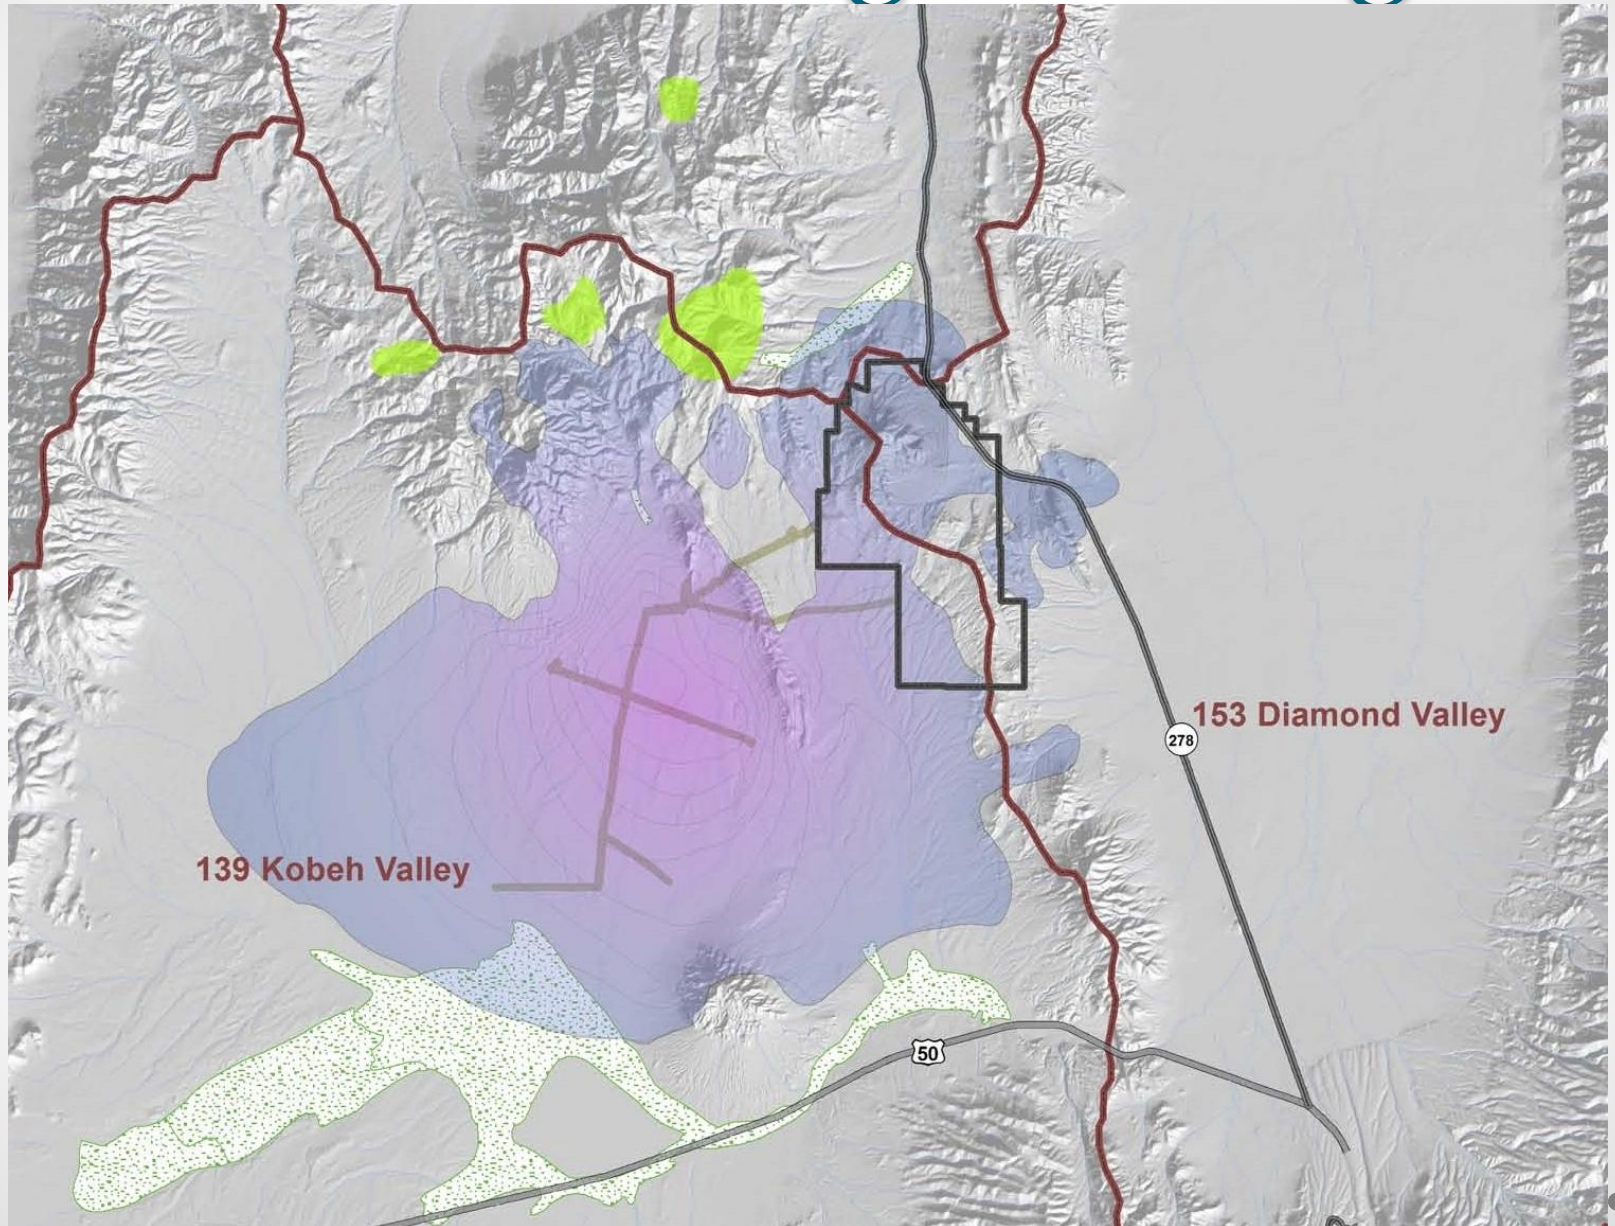

3M Monitoring – Concept

3M Monitoring – Water

3M Monitoring – Biological

Mt Hope Monitoring – Other

- Macro-Invertebrate monitoring – Roberts Creek
- Meteorological monitoring
- Subsidence monitoring

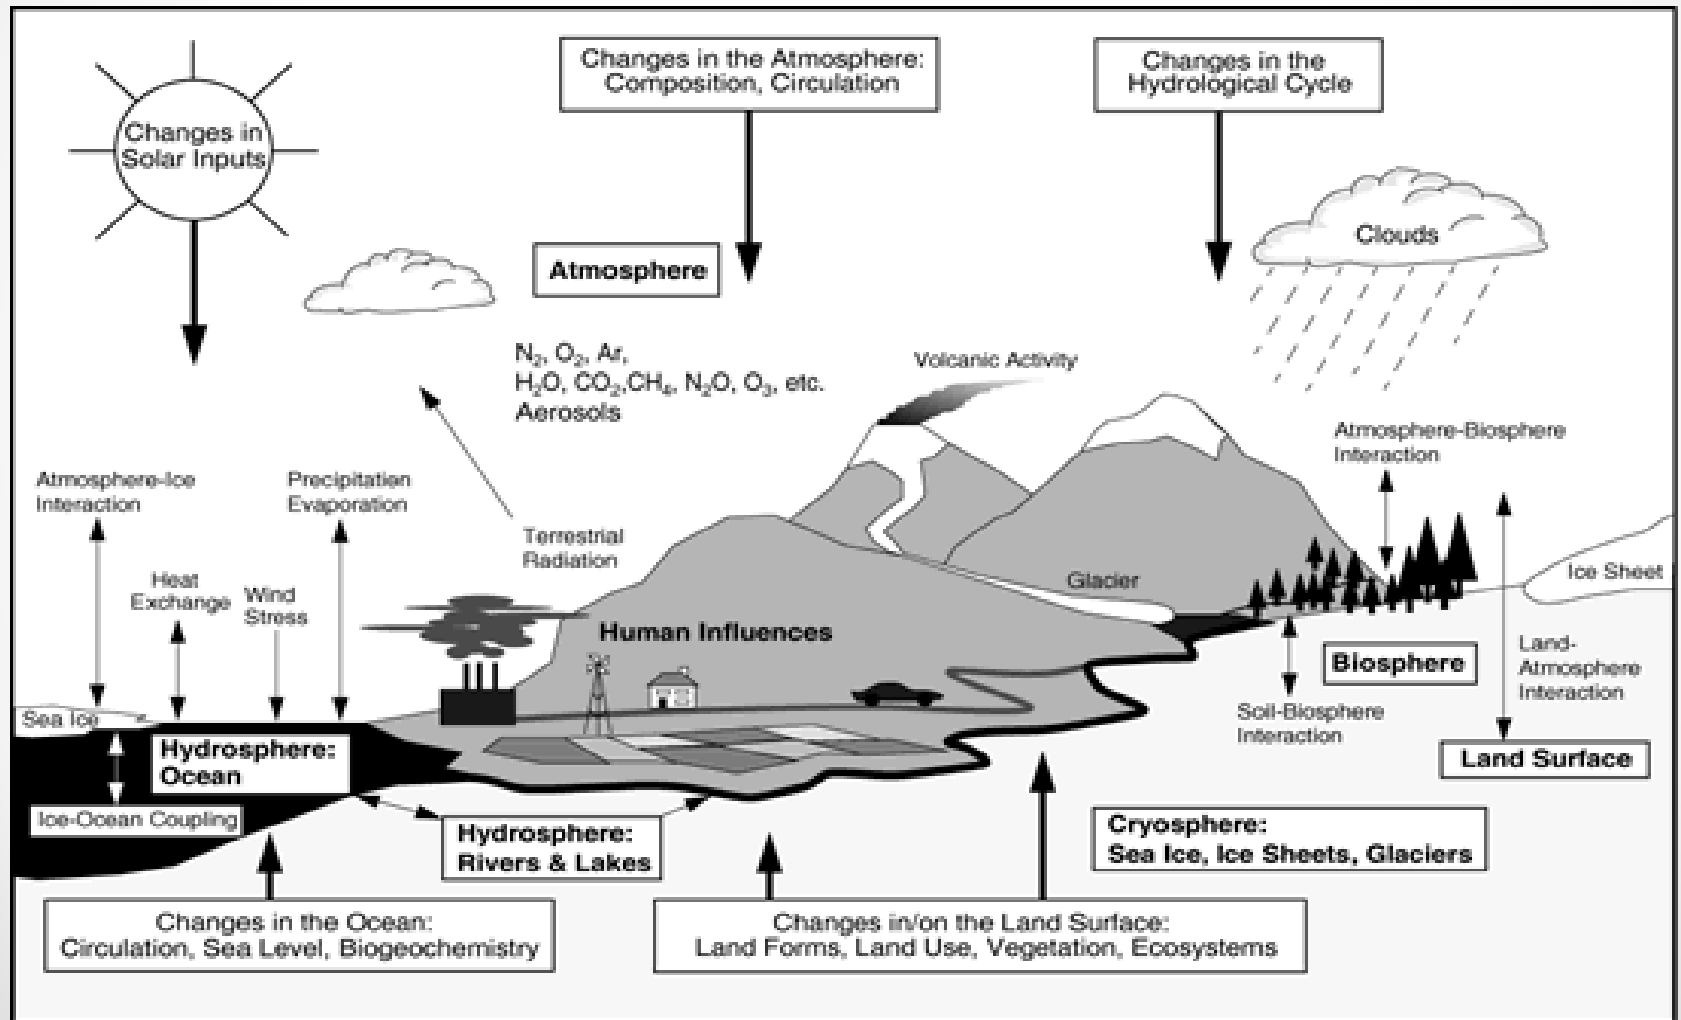

3M issues and Challenges

Data Collection / Management

3M issues and Challenges

What's enough Monitoring?

3M issues and Challenges

Defining Mitigation Triggers

3M issues and Challenges

Jurisdiction for Resources other
than Water Rights
